The fun, instant Christmas play!

Kids and their families will LOVE being part of *'Twas the Light Before Christmas!* In one fun-filled night, they'll create props, rehearse, and present a full-fledged Christmas production with a captivating script and original music.

It's as easy as 1-2-3:

Step 1 · Rehearsal: As families arrive, they are assigned to one of four Casts for the first hour. Each Cast rehearses their scene and song, and everyone makes their own prop and devotional keepsake.

Step 2 · Places Everyone!: In Bible-times Bethlehem, each Cast takes its turn helping brother and sister Ray and Vanessa discover scene by scene the true STAR of Christmas—Jesus!

Step 3 · Cast Party: Everyone celebrates being a part of this humorous, upbeat play—and focusing on the real meaning of Christmas
